Shockwave Quarterly Newsletter to Keep Your Finger on the Pulse of IVL News, Trends, & Evidence

2020: Shockwave Year-in-Review

We're not going to lie, 2020 was one for the ages, filled with more challenges than we'd like to remember. And while we're all too excited to turn the page with

optimism to 2021, we'd be remiss if we didn't recognize all of the notable news and milestones that we accomplished together in 2020.
